# CONCORD'S NEWEST PERFORMING ARTS VENUE!

HATBOX THEATRE is a live performance arts space located just off D'Amante Drive at the Steeplegate Mall. Our mission is to create a cooperative community to develop unique, intimate experiences for audiences and artists.

The 4,500 square foot space seats up to 100 seats in a thrust-style (three-sided seating) setting. Look for: original plays, variety entertainment, stand-up comedy, concerts, improvisation, puppetry, poetry readings, performance workshops, humanities experiences, educational opportunities, talks, cabaret, dance, burlesque, live podcast recording nights and more. Our intimate setting provides a unique experience for performer and audience alike. In its first year, Hatbox hosted 176 performances and thousands of delighted audience members.

Hatbox Theatre ticket buyers, members, and producers support the arts and local economy. Your information can *reach well over five thousand people* while encouraging the growth of the creative economy and engaging loyal, passionate consumers. We hope that you will become a supporter of Concord's newest performing arts venue and play a part in bringing world-class original entertainment to New Hampshire audiences in a wonderfully intimate theatre. Thanks for your support and we look forward to seeing you in the HATBOX!
